ASCENSION NETWORK

CONNECTING ATHLETES WITH OPPORTUNITY

Our Network Division creates meaningful relationships between athletes, agencies, coaches, scouts, and organizations.

We serve as strategic connectors—not agents—helping athletes gain exposure while helping organizations identify quality talent for on and off the field purposes.

ASCENSION NETWORK SERVICES

SCOUT. DEVELOP. REFER. EARN.

THE MODEL

We scout, develop, and refer athletes to agents and organizations.

Our company identifies talent, builds their value, and connects them with agencies and organizations ready to sign.

HOW IT WORKS

1. Identify high-potential athletes.
2. Develop & prepare for pro readiness.
3. Refer athlete to partnered agency or organization.
4. Agency or organization signs athlete.

TALENT ID

We find athletes others miss through deep scouting networks

DEVELOPMENT

Athletes arrive to agency or organization pro-ready: trained, mentored, and polished

REDUCED RISK

Agents or organization sign athletes already vetted and developed by us

MUTUAL WIN

Athletes get an opportunity at representation or playing while agency/organization gets talent.

WE DEVELOP THE ATHLETE. YOU RECEIVE THE TALENT.
